GREETINGS!

This first issue of the DIPLA newsletter is aimed primarily at shop-keeping and at announcing the year's schedule. Beginning in October, in addition to up-to-date information about IP-related events in the area, you can look forward to insightful commentary provided by Ms. Breanne Parcels, a J.D. student at the University of Dayton School of Law, Class of 2012.

2011-2012 CLE SCHEDULE

A tentative 2011-2012 CLE schedule is provided on page 2. Meetings are usually at the Engineers Club of Dayton on the second Friday of each month. Some exceptions are noted on the schedule for the October meeting (at UD), the November meeting (third Friday), the April meeting (at Thompson Hine), and the June meeting (third Friday).

RSVPs FOR MONTHLY MEETINGS

As has been done in years past, email solicitations for RSVPs to the monthly meetings are sent by the Treasurer (Matt Molloy) approximately ten days before the meeting date, and a second solicitation is sent approximately three days before the meeting. Your responses to these solicitations are used to determine ahead of time for lunch. If your plans happen to change after you have already responded in the affirmative, kindly let the Matt know, even if your plans change on the day of the meeting. Unfilled chairs at the Engineers Club typically represent \$22 that could be used for better purposes. Though you are welcome to do so, it generally is not necessary to respond to the RSVP email if you intend to arrive in time for the CLE seminar only.

DIPLA WEBSITE

Within the next couple months, the DIPLA website is scheduled to be up and running at <http://www.dipla.org>. We will keep you posted on further developments.
